

PARTNERING WITH CFS

Benefits of joining our partnership program.

In today's competitive environment, employing new technologies to attract and retain clients is vital. We understand you have a choice when selecting a Deposit Automation software partner and CFS Solutions can help your business recruit new accounts and strengthen relationships with existing clients. We specialize in powerful Deposit Automation and Check Imaging and Recognition software solutions that are easy to install, easy to use with low cost integration.

CFS Solutions is a software company with a proven record of success specializing in delivering full service check imaging solutions to financial institutions. With over 100 years of combined experience in the industry, we have been a chosen and trusted partner to resellers, banks and credit unions for many years.

We have a partner centric philosophy, we are committed to your success and view our partners as an extension of our own team. In short, your success is our success and we strive to create a positive experience before, during and after the sale.

- Exceptional and responsive support service – no silos

Apply to become a Partner

Becoming a partner is simple with CFS Solutions. Once signing our reseller agreement, you are given access to our Partner Portal that equips your team with the tools you need for a successful sale.

CFS can be as active or inactive in the sales process as you would like. We can work closely with you to close the deal and answer some of the more technical customer questions or provide you the tools to generate value and ongoing revenue with the software solutions that your clients seek.

For more information on becoming a partner, visit our website at www.cfssolutions.com or contact our sales team at sales@cfssolutions.com / 850.386.2902.

We look forward to working with you.

It's not magic,
but it's close.
